INTRODUCTION

Stir up your power and come! The psalmist's plea in Psalm 80:2 has become familiar to us in the Advent prayers. Isaiah wants God to rip the heavens open. Both cry out for an apparently distant, angry God to show up, to save, to restore. When we hear Jesus describing the coming of the Son of Man with stars falling from heaven, it can sound dire and horrible, not like anything we would ever hope for. But when we really look at the suffering of people God loves, we can share the hope that God would tear open the heavens and come.

First Reading: Isaiah 64:1-9

Psalm 80:1-7, 17-19

Second Reading: Corinthians 1:3-9

Gospel: Mark 13:24-37

Giving Tree 2023

Lack of access to safe water is one of the biggest challenges to overcoming poverty. It's also one of the most powerful opportunities to create change. **With a simple water well, spring box or other water point, as many as 500 families gain access to clean, safe water.** Communities are healthier. People spend less money on medical expenses and more on food and education. And instead of spending hours each day gathering water for the family, women and children have time for work and school. Talk about a future filled with hope!

At Bethel, donations for our Giving Tree will go toward the construction of a simple water well. Our goal is \$2500.00 to make this happen. When you donate any amount to this project, take an ornament from the Giving Tree to hang on your tree at home. These simple ornaments were made by our LOGOs Youth Ministry and read "Christmas 2023. This year I gave the gift of clean water."

There are other needs that can be met through the Good Gifts Program from ELCA World Hunger. If you would like to donate to Good Gifts for other items such as goats, chickens, bibles, etc. pick up a Good Gifts catalog located in the Narthex and you can donate directly to ELCA World Hunger Good Gifts.

If you have any questions about this project you may contact any member of the ELCA World Hunger Committee Colleen Walker-Nelson, Judy Johnson or Shirley Cayko.

For questions about donating to this Giving Tree Project, see Tami Grosenick in the Bethel Office.

Merry Christmas.

WATER

At an average cost of \$2,500, a spring box is one of many types of water projects supported by your gifts. Water wells can range from \$2,500 to \$10,000 or more, depending on the location and cost of materials.

GOSPEL MESSAGE

December 3, 2023

First Sunday of Advent

Winds of Grace

Have you ever experienced a powerful storm in which the sky grew increasingly dark and winds swirled the clouds or broke branches off trees? Our modern technology often allows us to prepare for storms like blizzards and hurricanes that develop slowly as they move toward us. Perhaps you've taken part in hastily boarding up windows, securing pets or farm animals, and gathering groceries and supplies in anticipation of being shut in or without power for a time.

The coming of the Son of Man will apparently not include advance warnings like those of meteorologists and weather apps, for Jesus says, "About that day or hour no one knows." It may be more like a tornado or thunderstorm, where we see that the conditions are right but can't be sure precisely when or where it will materialize. Our preparations for that type of storm are different, primarily focused on where and how we'll take shelter should lightning or a funnel cloud be spotted nearby. Many of us practiced tornado drills in school as kids; such practices, as well as storm watches and warnings, keep us aware of how to respond and alert about when to do so.

It is easy to hear Jesus' words and sound an alert for the end times. We might even spend time and energy worrying about the end and what it means for us. At the same time, the urgency of this proclamation is focused on the present, on what we can do here and now to be open to God's rule in our lives. This is a different kind of preparation, focused on loving God and loving our neighbors as ourselves.

In the sacraments of baptism and communion we are invited into regular practices of anticipating the presence of God with us. In Advent we bring a particular focus to this expectation. We are invited to think about the ways the winds of grace gather us in, and then send us out for the sake of the world.

Keep awake! Jesus is coming soon!

Mark 13:24-37

Sometimes it is very hard to wait, and it is especially hard to wait for Jesus to come. It seems to take such a long time! Jesus reminds us that God is with us in all of our waiting. Thanks be to God for that!

Look at this picture, find the hidden symbols and discover new ways to wait for baby Jesus.

I see a crown made of candles, an advent wreath, an angel, a tree with a gift underneath.

I see straw in a manger, a shoe filled with treats, and two people walking with sandals on their feet.

St. Nicholas Day, December 6:
Surprise a neighbor and leave a bag of sweet treats outside their front door.

First day of Advent: Find 4 candles to light—one on each of the 4 Sundays of Advent.

Create Jesus is Coming! greetings for friends and relatives.

Wrap gifts together.

St. Lucia Day, December 13: Eat a candlelight breakfast.

Add pieces of straw or colorful strips of fabric to an empty manger made of a small cardboard box.

Move these pieces of the nativity closer to the manger as Advent progresses.

This Week...

Practice watching and waiting at home. Plant an amaryllis bulb and watch the new growth appear during the days of Advent.

God, sometimes it's really hard to watch and wait. Be with us in these Advent days. Amen.

Welcome to worship. Today is the first day of Advent, the time when we watch and wait for baby Jesus to come.

In the advent wreath shown below, color one of the candles, draw any new decorations you see in your worship space, and finally, draw a picture of you waiting for something really exciting to happen.
