INTRODUCTION

Of all three years of the lectionary cycle, this year's All Saints readings have the most tears. Isaiah looks forward to the day when God will wipe away all tears; in John's gospel, Jesus weeps along with Mary and all the gathered mourners before he demonstrates his power over death. On All Saints Day we celebrate the victory won for all the faithful dead, but we grieve for our beloved dead as well, knowing that God honors our tears. We bring our grief to the table and find there a foretaste of Isaiah's feast to come.

A DEFINITION OF A SAINT

Every Christian, including you, and many other persons whom you wouldn't want to hang out with.

In the New Testament, the word *saint* never refers to a special class of super-duper Christians, rather it always refers to all Christians. For instance, the Letter to the Ephesians is addressed "to the saints in Ephesus." Saints are not saintly because of what they do but because of what Christ has done for them. Christian saints are identified not by their own wisdom, good works, holiness, and wholeness but by the fact that they belong to Jesus.

And that means, of course, that you are qualified to be a saint, too. As is your worst nightmare of a neighbor. Groucho Marx may have said, "I don't want to be a member of any club that will accept me as a member," but Jesus said, in effect, "Only sinners need apply-and I will make you saints."

Bethel Call Committee Up-date

The Bethel Call Committee has had a busy month of October! The Synod Office requires us to complete a Mission Site Profile (MSP). This profile is very comprehensive and interesting! The report includes information about our church and community, as well as traits we are looking for in a pastor. The committee asked for your input in the form of a survey or by verbally sharing your thoughts with any member of the Call Committee. The committee sincerely appreciates all your comments. The predominant thoughts that were shared was an appreciation for the music at Bethel, our youth programs, and our friendly, welcoming atmosphere.

We will complete and submit the MSP to the Synod Office, along with the proper supporting documents, prior to Thanksgiving. Once the report is approved, we will be given names of perspective pastors in our synod. We are also able to submit the names of pastors you may want to recommend for consideration. We encourage the congregation to let any member of the committee know a pastor's name that you like to recommend. The committee thanks you for your prayers and support and extends a special thank you for the confidence you have placed in us. We promise to do our best and provide a transparent process.

NEW LAND FOR FLBC ON HUGHES BAY!

Thanks to the Board of Directors in 2000, Flathead Lutheran Bible Camp had the First Right of Refusal on a lakefront lot on Hughes Bay. This property borders our sailboat dock and runs back to behind the tent cabins and pavilion.

In God's timing, the delegates at the FLBC Annual Meeting on October 10th voted unanimously to purchase the land after the Board of Directors voted to bring the motion to the full association. Rev. Gary Cockrell, former Executive Director of FLBC, shared with the Board of Directors and reminded us at the Annual Meeting that when the original land for FLBC was purchased in 1941, those Lutherans stepped out in faith, not having a "plan" in place for the land. And yet, over the past 77 years, the programs, buildings, and land have evolved to meet the needs of the ministry.

The cost of this new land is \$287,500. Thanks to two estate gifts that came to FLBC in 2019 and designated gifts since, the association has only had to borrow \$125,000 with a goal to have this paid back by December 2021.

Please prayerfully consider a gift designated to the Land Purchase for the future of FLBC! Thank you to all who have given and will give. All thanks and praise to God. You may mail a gift to Flathead Lutheran Bible Camp, 603 S Main St., Kalispell MT 59901.
